### Easy to refill coffee beans and soluble ingredients

The filling process can be done from the top, without opening the door, in a straightforward and simple way.

### Easy to clean and maintain

Front removal of liquid waste tray, with no need to open the machine.

### Easy to clean the liquids tray

The liquids tray has a capacity of 1.2l. The design has a built-in wave breaker to avoid unwanted splashes and spills during transport for cleaning.

### Easy to refill the water tank

Thanks to its ergonomic design, the 4 litre water tank can be removed and replaced with little effort. Mains water connection kit available for longer run time.

### Easy to empty and clean the waste tray

The coffee waste drawer has a capacity of up to 60 coffees. Its design allows for easy emptying and dishwasher cleaning.

### Easy label changing

The machine allows easy label replacement to adapt the panel to the tastes of your customers.

## A LIFETIME RELATION WITH COFFEE

Make the most of Azkoyen's over 30 years experience in technological innovations for the preparation of hot beverages in hotel, catering and vending environments. Taking great care with every detail of the process in order to provide the definitive experience in the world of coffee.
